Our Story

Mallee Estate is a family owned and run winery established by Peter and Eleni Markeas. The first vineyard was established in 1968 with 3 acres of Shiraz planted, which is used in part to make the Mallee Estate Shiraz.

There are now four vineyards all at separate locations in Renmark and produce over 500 tonnes of grapes. This is to take advantage of the different soil types and to grow better and more distinctive grapes for winemaking. All wines are made from estate grown grapes.

The winery has state of the art processing equipment from the destemmer/crusher to the tank press to the temperature controlled cellar.

All processes in the winery are done under the watchful eye of the winemaker, Jim Markeas, with all emphasis to preserve the quality of the fruit through to the bottle. This is apparent in the finished wines being of consistent and exceptional quality year after year.

Now Arthur and Jim are the second generation to lead Mallee Estate into its exciting future with expanding export markets in China, Hong Kong and the USA.
